Need 100+ Engineers to give \$100.00 and more*

LET'S HONOR OUR PROFESSION BY INVESTING IN OUR FUTURE

*PLEASE JOIN US TO MEET THE PEO EDUCATIONAL FOUNDATION SPRING 2021 FUNDRAISING CHALLENGE
AND SUPPORT OUR OREGON ENGINEERING STUDENTS*

Each year we receive heart-felt expressions of gratitude from the students who receive our scholarships. The financial support is truly appreciated and enables students to complete their degrees with a little less financial hardship. And they know that the engineers of Oregon are supporting them in their pursuit of licensure. The future belongs to our students... let's help them excel and thrive as Professional Engineers!

THANK YOU FOR YOUR SUPPORT!
